On Tuesday June 14<sup>th</sup>, 2011, PROJECT ISLANDER conducted a Controlled Drugs and Substance Act search warrant on a Victoria Avenue residence, in the Town of Gananoque. Officers seized 53 marihuana plants from the residence, as well as equipment used in the process of growing marihuana indoors.

A Gananoque female was located in the residence and has been charged with one count of possession of marihuana for the purpose of trafficking, and one count of Production of Marihuana.

Officers are also trying to locate a Gananoque man from the same address in relation to the drug seizure.

PROJECT ISLANDER is a Joint Forces Drug Enforcement initiative consisting of Gananoque, Brockville and the Ontario Provincial Police Services.

The Gananoque Police Service actively pursues any information which could lead to the arrest of anyone distributing illicit drugs. The importance of executing warrants such as this reduces the amount of illicit drugs on the streets of Gananoque and provides for a safer community for everyone to live.

Anyone with information on illicit drug activities is asked to contact the Gananoque Police Service at 613-382-4422 or Crime Stoppers at 1-800-222-8477. You do not have to identify yourself and neither agency subscribes to caller id.
